Worship, after all, is to an "audience of one," and that one is Jesus.

Worship is defined as a constant state of devotion, obedience, & service to God, encompassing every aspect of life, including home, work, and play.

4. Honor Jesus _____ .

Have you ever experienced a spontaneous moment of singing praises to the Lord?

Seize today to act for Christ, for tomorrow is not promised.

Questions to ponder:

Are you fully devoted to honoring Christ in everything?

Are you honoring Jesus in your home? Does He share your tastes in music and media consumption?

Are you honoring Jesus from your heart? Is your worship sincere, or just for show?

How are you serving Christ today? Are you looking for ways to be His hands & feet?

Application: Three practical applications to bring honor and glory to Christ:

1. Set your mind toward Jesus being the unseen guest at all times.

2. Set your heart to read and study the Word of God, then practice and teach it.

3. Ask God to open your eyes to see opportunities to serve Jesus.

(John 5:17) Jesus said, "My Father is still working, and I am working also."
